## Customer information on the closure of terrot Italy S.r.l., Cazzago SM

Due to the reduced worldwide demand for circular knitting machines, Terrot GmbH has decided to close its subsidiary in Italy, Terrot Italy S.r.l., Cazzago and to relocate its production completely to Terrot in Chemnitz. The development and distribution of the machines was already integrated at Terrot, Chemnitz.

All our customers will continue to be able to purchase all offered Pilotelli machines. The spare parts supply and service will be provided by Terrot Chemnitz. Delayed deliveries may occur during the first few weeks of the relocation. For this, would like to apologize to our customers in advance.

We like to thank you for the trust you placed in us.
