

# TERROT ANNOUNCES ITS NEW REPRESENTATION FOR BANGLADESH

Chemnitz, January 25, 2023

## TERROT ANNOUNCEMENT

Bangladesh has become the second largest economy in South Asia mainly supported by the textile industry. The textile and clothing industry is the key sector of the economy, employing around 4 million people and accounting for 80% of total exports. In order to increase their international competitiveness, its successful garment manufacturer have continuously automated their production – especially if they want to move into higher-price segments with their products –, professionalized their structures, expanded product ranges and increased their value added through continuous integration. This opens up new sales opportunities for Terrot, as Bangladesh mainly covers its textile machinery needs through imports. After more than 25 years of presence in Bangladesh we want to take advantage of the transformation taking place, supply leading local producers with Terrot and Pilotelli knitting machines of highest efficiency and replicate our success stories from other key textile markets here.

With this in mind, we are pleased to introduce **UNI ASIA ASSOCIATES LTD.** as our new local partner and sales agent for the conception, implementation and after-sales support of circular knitting machinery in Bangladesh. With their broad local presence you can easily get in touch with UNI ASIA for any matter concerning our Terrot and Pilotelli machines as well as spare parts and get immediate support. Please find below the contact details.
